

Souvenir From Marienbad

In this picture you can see the nanny, the Fraulein, with the two little girls, Manci and Klari. I found out the name of the girls from another photo, where they can be seen with their parents, and which was addressed to Ungvar as greeting card. The picture was taken in Maerienbad, a big spa, and they were there together, they took the maid with them. The photo is dated 24th July 1916.

This is not one of my photos. I have it from my husband Andras Gaspar, Andris, but I don't know who are the people in it. They are probably some relatives of my husband. He had more photos about his family than me. It is from an old album, he used to collect photos. We moved many times, but my husband used to say we should bring the photos with us to prevent them from being thrown away. There are many photos I don't know anything about, but I kept them anyway.
