

Maria Vulih's Birth Certificate

This is the birth certificate of my mother Marie Vulikh, issued in Soroki in 1903. My mother Maria Vulih was born into the Jewish family of Lev and Sabina Vulih in Soroki, Bessarabia in 1903. Her father was a photographer. I have no information about where they came from or who their parents were. I only know that they came to Kiev from Berdichev in the 1920s or 1930s. They lived in Soroki first and then they lived in Berdichev for some time. In Kiev we lived together in a big apartment on Pushkinskaya Street in the city center.
