

Iosef Dicman

This is a photo of Iosef Dicman, the husband of Sofia Dicman, one of my mother's, Dorina Fiul's sisters. They were wonderful people, like parents for me and my sister Lola, they had no children of their own. Josef worked as a broker, and they both left for Israel in 1959, and settled in Rishon Le Zion, but we kept in touch with them until they died: aunt Sofia died in 1971, and Iosif died in 1973. They are both buried in Gordonia cemetery, in Rishon Le Zion.
