

Apolonia Starzec's 90th Birthday

It's the photo from my 90th birthday, 1st October 2004. It was here in Warsaw. I'm 92 years old now. I live alone in my apartment in Warsaw. My husband died in 1997. My son Wlodek also died, and my younger son, Krzysztof, lives in France. There is my friend that helps me, she's visiting me every day.
