

Banquet For Ludovit Sandor's 30th Birthday Party

This is a photo of a hall where a banquet for my father, Ludovit Sandor, was held on the occasion of his 30th birthday. The photograph was taken on 31st October 1930 in Liptovsky Mikulas, and was probably taken by my father. My father was an amazing person, whom everyone loved, whom everyone who knew him recalls still to this day. He was a beautiful man and very good. Tall, dark, with a mustache. My father owned an electronics store with a friend of his; it was called Audion and was in Liptovsky Mikulas, on the square. They sold radios and things like that.
