

Agnesa Sandorova At The Sparta Games

In this photo I'm at the district Spartakiada [Sparta Games], which took place on 8th May 1955 in Ruzomberok. The photograph was taken right at the start of exercises. When I was a little older, I had hobbies. I did quite a bit of hiking, went to the gym, we used to play basketball, volleyball, do gymnastics and so on. We used to ride bikes, go hiking, on trips, we went skiing and in the summer swimming. We attended sports meets, and also had a choir. Later, in Ruzomberok, I had many, many such activities.
