

Iacob Haller With Pupils

The first from left is my husband, Iacob Haller, probably with a group of pupils.

My husband's name was Iacob Haller, he was from Siret. He was 1 year older than me, he was born in 1914. He graduated the Faculty of Natural Sciences in Cernauti. At the time when I met my husband, his parents weren't alive anymore. They were 2 siblings: his sister and him. His sister's name was Rebeca. She lived with my mother after I got married. And she left to Israel afterwards. She didn't marry.

My husband was recommended to me by David Kesler, my cousin in Dorohoi. My husband was a teacher in Dorohoi, and my cousin knew him well. We got married in 1946. My husband obtained a transfer from the high school in Dorohoi to the "A. T. Laurian" High School in Botosani, and it wasn't long before he became principal of the "A. T. Laurian" High School. He was principal for a few years. He wasn't a party member - nor was I. He taught biology. He was known to be a good teacher. He was on the board of examiners for the baccalaureate examination, he was a highly esteemed teacher. He worked at the "A. T. Laurian" High School until his retirement. He retired around 1972-1973. And he departed [died] in 1996 and that's that.
