

Ektor Florentin And Ines Nisim

This is me, my brother Ektor Isoua Salvator Florentin and my cousin Ines or Nika Zadok. I must be around eight years old, my brother ten and Nika three years old. Nika is my uncle Viktor Zadok's daughter from my mother's side. She has two sisters, Veta and Ketí, but Veta is dead. Nika's family lived on the top floor of my grandparent's house. We used to see them everyday and we were very close to Nika, closer than to her other two sisters.

I think a family member and not a photographer took this picture in Nika's house. Nika and Ektor went to Israel due to the war and now they both live there.
