

The Maier Family With Sultana Yulzari At The Wedding Day Of Stela Dimitrova

These are members of the Maier family with me at the wedding day of Stela Dimitrova, nee Yulzari. The photo was taken in 2003 in Varna.

My favourite granddaughter Stela and I together with the in-laws. Nissim and Stela Maier live in the town of Shumen. My granddaughter was named after her grandmother, Stela Maier.

Stela is the daughter of my son Sinto Mois Yulzari and his wife Sima Nissim Yulzari, nee Maier. As a matter of fact, Stela was named after her maternal grandmother, Stela Maier, who lived with her husband, Nissim Maier, in the town of Shumen. Stela completed her high-school education in Ruse and the university education in Varna. At the moment, she works with a tourist company there. She has a brother whose name is Mois Sinto Yulzari. He is married to Nevena who is now awaiting a baby. I know next to nothing about his wife. Now they live and work in Ruse.
